

Soft Launch

Soft Launch is the passion project of Arunima Manwani, a certified personal styling and image consultant trained in Milan and Brussels. With a background in fashion design and garment merchandising, she brings global standards of elegance and etiquette to young professionals across India. Through personalized styling, color analysis, wardrobe audits, and grooming guidance, Soft Launch helps clients align their image with their ambitions—boosting confidence, refinement, and self-expression in every setting.

ABOUT US

Founded by image expert Arunima Manwani, Soft Launch empowers professionals in India to elevate their personal style and presence with couture-level insight. A certified personal stylist and etiquette trainer from Milan's Sterling Style Academy and Belgium's Euro Protocol, Arunima blends global standards with an understanding of Indian cultural nuance. Her bespoke consultations—from body-shape and color analysis to wardrobe transformation—create polished, confident individuals ready to make lasting impressions.
